

ALL MAKES Truck Wash

FLEET CLEANING COMPOUND

DESCRIPTION

All Makes Truck Wash is designed for quick and economical vehicle cleaning through high pressure spray equipment, although manual application can be used successfully. All Makes Truck Wash contains a blend of detergents with TFR (Traffic Film Remover) that cut rapidly through road film and exerts a powerful emulsifying action. It also contains corrosion inhibitors and an antistat to reduce subsequent dirt pickup and or corrosion.

All Makes Truck Wash is biodegradable and does not contain caustic soda, phosphates or solvents.

INSTRUCTIONS

Optimum cleaning is achieved by foam spraying the entire vehicle from the bottom up and leaving for approximately 10 minutes. Then pressure rinse from the bottom up with the nozzle outlet 15 - 30 cm from the vehicle surface. Final rinse, using at least 500 PSI (3445kPa) pressure from top to bottom.

APPLICATIONS

For use in spray application equipment for cleaning cars, trucks, buses, vans and motorcycles.
