## MUDFLAPS

### Printing Options:

#### **MONOGRAMMED / EMBOSSED:**

Your company name and logo moulded in your corporate colours as part of the mudflap in raised letters.

#### **SCREENPRINTED:**

with your company name and logo in your corporate colour scheme.

#### **Universal White Mudflaps**

Injection moulded from PVC, giving the flexibility of rubber and the durability of plastic.  
Available in a range of sizes to suit most vehicle applications.

#### **Standard 24" (610mm) wide mudflaps**

A unique feature of the Truckmate product are the spray suppression flutes which match the internal ribs of the MG 600 mudguard. This maximises the spray suppression qualities of the combination.
